

**STAFF BIRTHDAYS THIS AND NEXT WEEK:
Bob Allen Jan. 19th**

STAFF AND STUDENTS:

1. CSF: Important Information:

There will be no CSF meeting on January 18th due to a holiday, or January 25th due to Finals Week. There will, however, be a meeting for seniors on January 11th. Please drop off any semester volunteer hours you have completed by the January 22nd deadline to Room 508.

Remember that if you wish to be an Active member in CSF you may only miss 3 meetings per semester, and no mandatory meetings. All members are expected to attend mandatory meetings.

Also, it has come to my attention that that some students are signing in for other students or are having other students sign in for them. Not only is this dishonest, but there could be some ramifications regarding your Active CSF membership status by doing so. There will be a new sign in process beginning at the next meeting. In addition to signing in, you need to stay until the meeting has concluded to receive credit.
