2. **Introducing a brand new class for the 2016/2017 school year:**
ADVANCED MUSIC ENSEMBLE!
LJHS is proud to announce the implementation of an elite/honors level music class next year.
The goal is to bring an exclusively high level ensemble to La Jolla's roster of music classes and work with music on a university level.
Students must pass an audition to be considered for the class before they enroll.
If you would like to audition, please see Mr Fiedler in Rm 804 for a list of audition criteria - following that, feel free to sign up for a time slot!
There is an audition times list inside the front door of room 804, and times are filling up fast!
All instruments will be considered, but final instrumentation will be based on ensemble balance as well as skill level.
You may audition on more than one instrument if you feel you can play multiple instruments at a high level, but please sign up for a separate audition time for each instrument.
You need not already be enrolled in a music class to audition - everyone is welcome to try out.
3. Over 300 pints of blood are needed each day in San Diego County. Sign up for the blood drive in Room 903 or visit the blood drive table in the lunch court. All donors are registered for prizes.
4. **Attention anyone who tried out for the Talent Show!**
A list of who will be performing in the show on May 21st is now posted on the door of Room 801.
