1. Principal Podhorsky's Message

La Jolla Vikings:

Just a quick reminder that the grading period will be coming up before you know it (October 13). Please make sure you check in with your teachers to find out exactly where you are and also to see if there are any opportunities to get back on track, if you need to.

Also, as you attend your friends' athletic events this week, please remember that you are always a representation of your school. As a spectator, **Be Viking Proud, Be Spirited** but most importantly, **Be Respectful**--that includes before and after the event.

Viking Five:

1. **Be Present!** Each class period is important. If you are absent for any reason, please have your parent call the attendance office within 48 hours to clear the absence.
2. **Be actively engaged!** Be an active learner and stay involved in classroom discussions.
3. **Be positive!**
4. **Outwork everyone!** Achieving lofty goals requires hard work and daily focus.
5. **Have Fun!** High school has so many ways to get involved. Enjoy a sport or club and enjoy your high school years.

2. There will be a **Blood Drive** on October 3rd. Please find students in pink shirts during lunch and throughout the day and sign up to help save a life. If you are sixteen years old you may still donate with a permission slip.

3. [Tuesday, Oct. 3rd College Fair!!!](#)

La Jolla High School is pleased to once again welcome the **Regional Admissions Counselors of California (RACC)** to campus on **Tuesday, October 3** during **4th period**.

In an assembly open to all junior and senior classes, college admissions representatives from approximately 30 colleges and universities around the country will speak about their schools. At the conclusion of their presentations, students will be able to meet with the reps at a mini-college fair during lunch, also in the big gym. This is a terrific opportunity for students to become acquainted with colleges which

have a genuine interest in attracting California students!

4. **Math Team** meets in room 904 on Wednesdays.

5. The first meeting of the La Jolla High School **Dungeons and Dragons Club** will be today at lunch in Room 910. If you are interested in playing the game, this is a great opportunity to meet new people and have some fun.

6. SAVE THE DATE
