## DESCRIPTION OF THE SCHOOL

La Jolla High School (LJHS) is a comprehensive high school for grades 9-12 located in La Jolla, a community within the city limits of San Diego. LJHS is the nucleus of the community and provides leadership for a middle school and three elementary schools. La Jolla High is one of 22 high schools in the San Diego Unified School District which is the second largest district in the state of California.

LJHS supports approximately 1,252 students with exemplary educational programs and services. The student body is comprised of both students from the local community and from the Program Involvement School Choice Program (PISC), and Gifted and Talented Education (GATE).

All semester grades earned after promotion from the eighth grade are counted. The graduation GPA is computed based on grades 9-12. College courses are worth two credits each semester. La Jolla High School does not rank students. In the spring of 2020, a “no grade” (N/G) was allowed for students significantly impacted by COVID.

## SCHOOL SCHEDULE AND COVID INTERRUPTIONS

La Jolla High School's year is divided into two semesters, eighteen weeks in length. Each day is divided into six 58-minute periods. Classes meet Monday through Friday. In March, 2020, due to COVID, campus was closed and the balance of the 2019-2020 school year was completed under a remote-learning model where students completed all classes online. For the 2020-21 school year, the grading terms were changed from two semesters to four quarters, and the students continued with remote learning.
